Worksheet **58**

Student Risk Assessment

Activity:					
Risk identified	Severity (S) (1 to 3 score)	Likelihood (L) (1 to 3 score)	Risk (S X L) (1 to 9 score)*	Measures taken to reduce risk	PPE Required

* A score of six or more indicates that there is a serious element of risk involved in the activity. Careful consideration should be given to whether the activity should take place or not.
